

Randall Kaufmann has tied flies for 40 years and is a leading authority of flies, fly tying, and fly fishing. His innovative and unique tying techniques have help set the standard for commercial tying operations, and many of his patterns have become favorites throughout the fishing world.

Randall has authored several books, including *Tying Dry Flies*, *Fly Patterns of Umpqua Feather Merchants*, *Lake Fishing With a Fly*, and *Bonefishing!* Randall and his family operate a fly fishing retail, mail-order and fly fishing travel business in Tigard, Oregon.

This book shows you how to tie the world's most popular nymphs like a professional—with speed, ease, and efficiency. Over 1,000 concise photos take you step-by-step through 39 demonstration flies that are presented in a logical sequence. Once mastered, you can tie almost any nymph and design your own flies.

Most subaquatic food sources are explained in detail, including mayflies, caddisflies, stoneflies, dragonflies, damselflies, and midges, plus leeches and scuds. Many angling techniques are discussed, plus historical information and interesting experiences of the author. Learn to tie the flies pictured here, plus many more.
